II.2.4) **Description of the procurement:**

Frøya municipality shall arrange a design contest in connection with the project "Morgendagens omsorg" ("the Future care").

The contracting authority wants to prequalify 3 architect companies for the preparation of a new proposal draft for a new health centre and sheltered accommodation flats.

The aim is to create a health centre that is future-orientated, suitable for the local environment and that sees the contracting authority's need for functionality.

The health centre will have 28 nursing home places and 48 sheltered accommodation flats in a community, co-located. Total area is approx. 10 000 m².

See the attached feasibility study with a function, area and room programme and the development plan. The work must be based on the prepared booklet.

For this tender process the Contracting Authority uses Mercell Sourcing Service. To express your interest and gain access to any documents, please click on the link below or copy and paste the link into your browser.
